Pandora Christie is fast becoming one of Radio's shining stars. With her fun sense of humour, engaging style and girl next-door attitude she is a total natural whether behind the mic or on our TV screens.

After three years of being the leading female DJ on Capital FM, she's made the switch to the nation's favourite youth radio station, KISS FM. She is now fronting the award winning mid-morning show and hugely popular Kisstory slot.

Pandora also hosts her own 4Music show, 'Hit Afternoons With Pandora' on weekdays from 2-4pm and she works regularly with Odeon Cinemas, hosting red carpet events and interviewing actors.

To date Pandora has graced the red carpet for Cosmopolitan Awards, Vlog Star, Vodafone, FM Model Agency, Toni & Guy and WestSide FM. She's hosted live events on the world famous Wembley stage to 80,000 hit music fans and regularly presented at London's O2 Arena.

She has interviewed huge artists such as Usher, Will Farrell, Mark Wahlberg, Kim Kardashian, Little Mix and Jess Glynne amongst others.

Away from radio, Pandora has appeared in commercials for Boots, Colgate, Channel 4, Trebor Mints, Lucy Lycra tights and T-Mobile. Pandora is also one of the voices from Sky One. She has recently signed to Fearne Cotton's DJ booking agency Noisy Kitchen.

Pandora lives in London and has two gorgeous dogs Henry and Smudge. She's a big advocate for Battersea Dogs & Cats Home and animal rights groups. A self-confessed fitness fan, she spends her day on the radio, at the gym and blogging about all things fashion, beauty and more at www.pandorachristie.com
