

### **Toby Tarrant**

Rising star Toby Tarrant is without doubt the one to watch for 2018 and beyond.

Currently taking charge of the early morning slot on national station Radio X, Toby has been charming the nation for almost 2 years now with his previous show on Capital FM.

His show on Radio X runs from 4-6.30am every weekday and sees him handing over to breakfast host Chris Moyles every morning. He also often covers Chris Moyles' Breakfast Show on Radio X as well as Johnny Vaughan on drive-time.

Although still a relatively fresh face in the industry, Toby has more than earned his stripes, having frequently worked on numerous national Capital FM shows including Drivetime, Weekend Breakfast and live interviewing the likes of girl group Little Mix.

He can also be found working for Odeon UK, hosting red carpet events and interviewing actors.

Keep your eyes and ears peeled for Toby, as the future looks to be extremely bright.
